

PEYTO

SOFTSHELL JACKET

ELEVATE

M **TM12907** (S - 5XL)

W **TM92907** (XS - 3XL)

The lightweight Peyto Softshell is ready for anything with a breathable, waterproof membrane and water-repellent finish. It has a roll-away hood and features articulated elbows and ergonomic sleeves for maximum mobility. Reflective piping adds a dash of style and visibility. The women's version has shaped seams and a tapered waist for a flattering fit.

FEATURES

- Wind- and water-resistant for extra protection against the elements
- Breathable fabric to keep you cool
- Roll-away hood, in case the sun comes out

FABRIC

100% Polyester mechanical stretch woven bonded to 100% Polyester textured knit.
