### FABRIC

100% Polyester melange twill mechanical stretch woven with waterproof (8000mm), breathable (3000g/m<sup>2</sup>) membrane and water repellent finish, 250 g/m<sup>2</sup> (7.4 oz/yd<sup>2</sup>).

### DECORATION

Embroidery, Transfer

The Rivington Insulated Jacket delivers a high-end look with excellent protection from the elements. This 3/4 length waterproof jacket features a stylish wool-like texture with critical seam sealing, a breathable membrane and water repellent finish to keep you dry. Its comfortable for spring and fall, but when temperatures drop, the storm collar and facing, along with the high tech faux down insulation, keep you warm. Lightweight construction, articulated elbows and ergonomic sleeves maximize comfort and mobility, while thoughtful features like a waterproof zipper pocket, interior media cord guide, umbrella pocket and backpack straps make this a great choice for the modern professional.
