FABRIC

OUTERWEAR: 100% Polyester reflective graphic pattern woven with water resistant coating (600mm) and water repellent finish. 40 g/m² (1.2 oz/yd²)

DECORATION

Embroidery, Transfer

The featherweight Signal Packable Jacket is fully reflective for visibility from dusk to dawn – plus you can pack it away in a built-in waist pack. Along with its reflective graphic pattern and detail, the Signal Jacket features a water resistant coating & water repellent finish, hood with elasticized opening and elastic cord lock at the hem. Inside, it's got a media-phone and cord port.
