The Taza Knit Quarter Zip is 100% Micro polyester cross-dyed jersey knit with anti-microbial finish, snag resistant and wicking finish. The knit features contrast reverse coil zipper with autolock pull and sleeve cuffs with thumb exit. When you need music by your side, this knit features an added exterior media cord guide. Available in four bright and bold colours, the Taza is a versatile knit that works over a polo, woven or tee. This is also a great knit when active because of its Webtech properties, which help channel sweat away.
