## RECOMMENDED DECORATION

HXD, Embroidery, Transfer

The Stratton Knit quarter for men's and half zip for women's offers a traditional professional look for men and women – with some key differences between the two. While the men's has a stand collar and fits well over a shirt and tie, the women's has a convertible collar, dropped back hem and tapered waist for a flattering fit. Both, however, are made with washable wool that makes it easy to wash and wear.
